

# step4

The screenshot shows the Visual Studio Code editor with the file explorer on the left and the code editor in the center. The file explorer shows the project structure, including the file `apiMidProjContentleft_78.js` which is currently selected. The code editor displays the implementation of the `getContenleft` method in the `apiMidProjContentleft_78.js` file. The code is as follows:

```
1 const servicemidprojContentleft_78 = require('./servicemidprojContentleft_78');
2
3
4 exports.getContenleft = async (req, res) => {
5   try {
6     const data = await servicemidprojContentleft_78.getContenleft();
7     return res.json(data);
8   } catch (err) {
9     console.log('midprojContentleft getContenleft', err);
10  }
11};
```

The status bar at the bottom indicates the file is at line 8, column 36, with 18 selected spaces. The system tray shows the date and time as 2021/11/21 at 10:10.

The screenshot shows the Visual Studio Code editor with the file explorer on the left and the code editor in the center. The file explorer shows the project structure, including the file `api_xxjs/routes.js` which is currently selected. The code editor displays the configuration of the routes in the `api_xxjs/routes.js` file. The code is as follows:

```
1 var express = require('express');
2 var router = express.Router();
3 const apiCrown2Controller_xx = require('../controllers/apiCrown2Controller_xx');
4 const apiMidprojContentleft_78 = require('../controllers/midproj_78/apiMidProjContentleft_78');
5
6 /* crown_xx */
7 router.get('/category_xx', apiCrown2Controller_xx.getCategories);
8 router.get('/shop_xx', apiCrown2Controller_xx.getShop);
9 router.get('/shop_xx/:category', apiCrown2Controller_xx.getProductsByCategory);
10
11 /* midproj_xx */
12 router.get('/contentleft_78', apiMidprojContentleft_78.getContenleft);
13 /* finalproj_xx */
14
15 module.exports = router;
```

The status bar at the bottom indicates the file is at line 4, column 93, with 4 selected spaces. The system tray shows the date and time as 2021/11/21 at 10:10.
